

INSURANCE FOR CANCER?

Can I get medical or cancer insurance if I have had cancer?

The answer is NO

Cancer is classified under one of the "**Specific Illnesses**" and is subject to a **120-day waiting period** and will only take effect after 120 days from the date of the policy.

A Surge of Cancer Cases Globally, study published in BMJ Oncology:-

- Over the past three decades, **almost 80% increase** (under 50 worldwide) have been diagnosed with cancer.
- For early-onset cancer, **increased from 1.82 million in 1990 to 3.26 million in 2019.**
- **Cancer deaths** in their 40s, 30s or younger

grew by 27%

The likely contributing factors are: “**Poor diets, alcohol and tobacco use, physical inactivity, and obesity**” in addition to genetics.

The rise of cancer cases has led to a discussion on the need for early screenings, a healthier lifestyle, and medical insurance that will provide better protection before you are diagnosed with cancer.
